## TAMHO Annual Conference Remains Hybrid This Year.

Due to varying attendance needs, the TAMHO 2022 Annual Conference and Awards Ceremony is being designed as a hybrid event again this year — both virtual and in-person attendance options.

Final plans will soon be announced. A proposed agenda is available on the left side of this page. Sponsorship categories are listed on subsequent pages. The difference this year for sponsors and exhibitors is a Day 2 option for continued outreach to event attendees

TAMHO values the partnerships and support of our event sponsors over the years. Especially during these challenging times, we hope that each of you will continue your sponsorship.

We also look forward to establishing new partnerships with those of you who have recently reached out to inquire about TAMHO and our events.

## Health and Safety Protocols

TAMHO is dedicated to ensuring a healthy and safe conference experience for everyone. We are incorporating health and safety measures based on guidance from the Centers for Disease Control and Prevention (CDC), the State of Tennessee, and the local community that the event is taking place in, as well as the conference venue guidelines. Please note that due to the fluidity of the COVID-19 pandemic, health and safety protocols are changing frequently, so we recommend checking back periodically for updates.

The following protocols are in place for the TAMHO Annual Conference and all related functions on December 8-9, 2022 until further notice.

We *encourage* individuals selecting the in-person attendance option to:

- 1) follow current CDC guidelines for gatherings;
- 2) be fully vaccinated;
- 3) practice social distancing; and,
- 4) feel welcome to wear a mask.

We appreciate your understanding as we do our best to keep all attendees safe and healthy. If you are experiencing an illness or COVID related symptoms, we ask that you please refrain from attending the event in person.
