

REGISTRATION

FREE | \$0.00/person

Seating is limited so register today!

Pre-registration is required for this event.

**EVENTBRITE IS THE OFFICIAL
REGISTRATION SITE FOR THIS EVENT**

<http://culturetraumaresilience.eventbrite.com>

Pre-registration is required to guarantee your place at this event and to assist in adequately planning ample meals, refreshments, and seating. Registration includes access to all educational segments, refreshments and networking opportunities, lunch, and a certificate of continuing development reflecting contact hours earned.

Pre-registration is strongly encouraged as walk-in registrants will be accommodated on a "space available" basis and cannot be guaranteed access to any portion of the event and, thus, may be required to "stand by" until all pre-registered participants are accommodated before being allowed entry to the event if seating is available.

Substitutions are welcomed. Please contact Tasha M. Chusac <Tasha.Chusac@advantagebehavioral.org> at your earliest convenience with notice of cancellations or substitutions so that available seats may be reallocated to individuals on the stand-by list.

ADA ACCOMMODATIONS

If you require ADA accommodations, please indicate your needs by marking your requirements during the Eventbrite registration process. ADA accommodations must be provided at least two weeks before the event date so that arrangements can be made.

Special dietary requirements can be accommodated with advanced notice. Please indicate your needs by marking the appropriate boxes during the Eventbrite registration process. Special meal requests cannot be guaranteed without advance notice.
