

**WE ARE THE MEDICINE WHO CAN
PROMOTE *POSITIVE HEALTH,
HEALING, AND THRIVING***

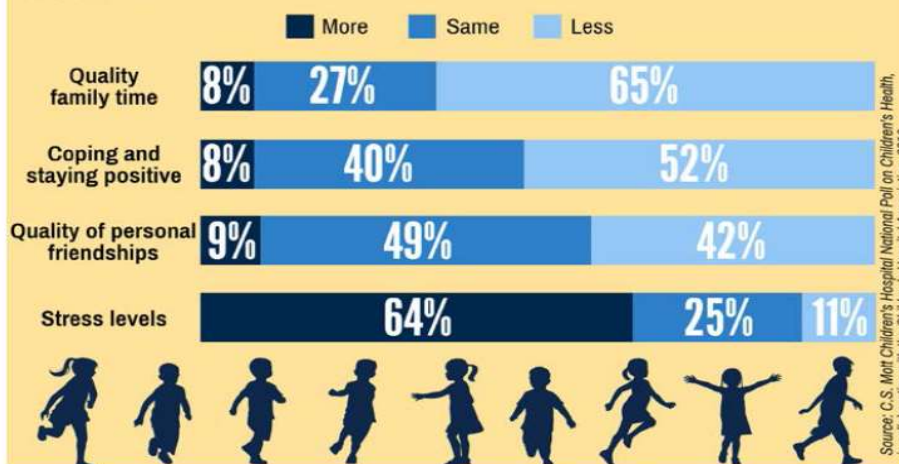

Healing is Upon Us!
(and within and between us!)

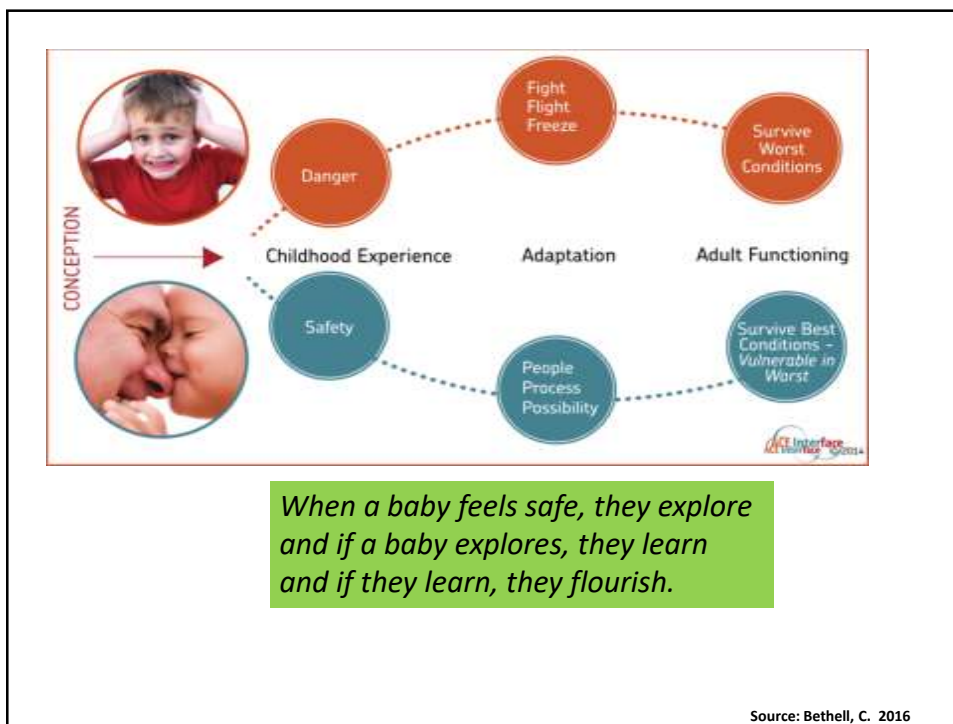

1

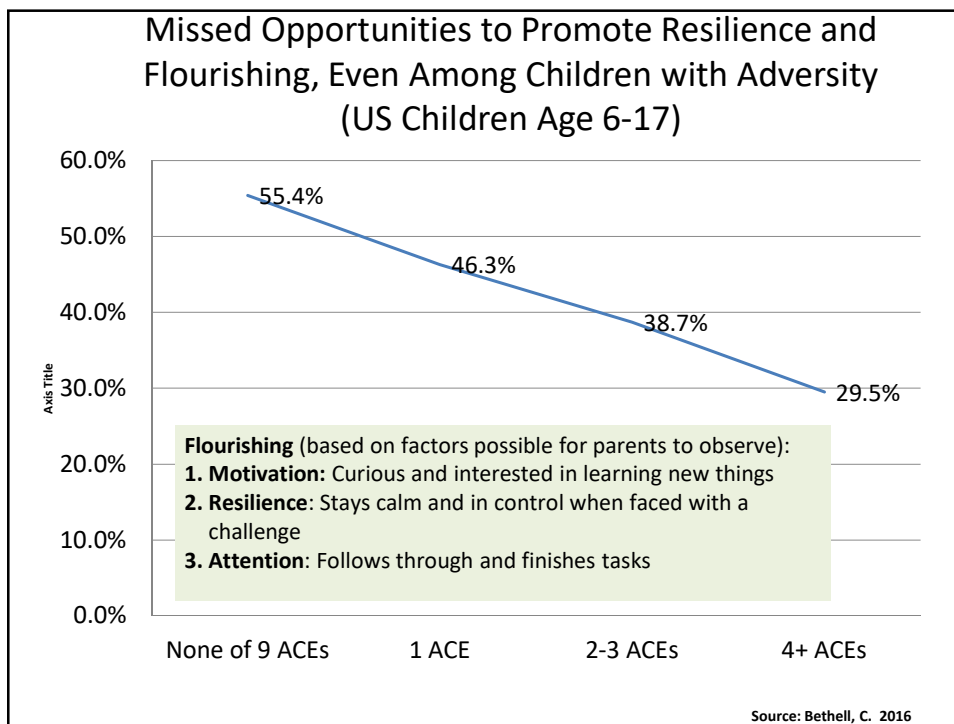

High Public Awareness of High Stress Levels and Need for Building Positive Health, Coping and Resilience In Children
(April 2016 National Poll Results)

Figure 1. Adult views of children today compared to when they were kids

Source: Bethell, C. 2016

SHINING A LIGHT ON POSITIVE HEALTH AND RESILIENCE IS ESSENTIAL FOR ALL CHILDREN!

ONLY 55% OF US SCHOOL-AGE CHILDREN WITHOUT CHILDHOOD ADVERSITY FLOURISH... IS THAT GOOD ENOUGH?

Source: Bethell, C. 2016

WE HAVE TO IGNITE THE PASSION OF
OURSELVES AND OTHERS...

To Beauty

....and the translation of the science and practice of promoting **positive health, healing, and thriving** to promote the flourishing of all Tennessee children, youth and families.
