Request forms and related details will be available in participant registration packets on site at the conference.

TAMHO has been approved by the National Association of Social Workers, Tennessee Chapter (Provider Number: NASWTN 2016-0047) to provide up to 6.25 continuing education units for this conference. Documentation of hours earned will be provided upon request to participants who have successfully completed the program. Professionals in attendance at this conference are encouraged to review Chapter 1365-1 to ensure the workshop they are attending is applicable and appropriate to their professional development. The Tennessee Board of Social Work Certification and Licensure does not pre-approve continuing education programs. It is the responsibility of the LMSW/LCSW, using their professional judgment, to justify that the continuing educational program meets the guidelines of Chapter 1365-1 and is relevant to their professional practice.
